Paradigm Tax Group Location

Locations of Paradigm Tax Group's Texas Clients

What sets Paradigm apart? Our state-of-the-art technology platform combined with our commitment to superior client service and unparalleled property tax savings has propelled us to become the nation's leading and fastest growing property tax consulting firm. With nearly 200 property tax professionals based in more than 30 major metropolitan locations, our team is comprised of former assessors, appraisers, attorneys, CPA's and valuation experts who collectively form the most qualified group of property tax consultants in the country.

As your trusted property tax advisory resource, Paradigm Tax Group acts as an extension of your Finance and Tax department working with you throughout the year to ensure you implement and maintain a proactive, relationship oriented approach to maximizing property tax savings opportunities, automating ongoing compliance processes, and minimizing your property tax liabilities.

It is critical that industry expertise be involved in the appeal of Hospitality properties since specific valuation techniques are required to arrive at the true taxable value. Texas appeals are handled out of Paradigm's Austin, Dallas, Houston and San Antonio offices.
